Mark, (the best dancer I know, do you give lessons?)  
Well, the 3 years are finally  
up and I think they've been  
great. (despite our little indifference)  
I'm really glad that we became  
friends and I hope we'll stay that  
way. Thanks for being there when I  
needed you. Have a great summer and  
I hope to see you. (at least a few times)  
My wishes for the best of luck in  
future years. You really deserve it.  
Well, I better stop writing or I'll start  
to cry.  
Love,  
Charlene

P.S. - I'm waiting for the dance so I'll  
have the privilege of dancing with  
you.

To Mark-

Good luck with your  
meatballs + ravioli. Don't  
let the meatballs bounce  
or let the ravioli set  
soggy.

What a special friend  
Just the kind who'll never bend  
Or break away  
You said you'd stay  
And here you are  
Here you are

What a special friend you are

- Tom Paxton

You came throwing colors  
All around my blacks and greys  
While I stood in wonder  
You just opened up my days  
Let me tell you what you did to me  
I want to shout the news  
You came throwing colors 'round  
my blues  
You came throwing colors 'round  
my blues

# *IS A FRIEND*

What a friend you are  
If I had a golden star  
I'd pin it on you  
For seeing it through  
With me  
With me

- Tom Paxton

When I needed you  
You were there before I knew  
I needed you  
You came through  
When the luck was bad  
When bad luck was all we had  
And no one cared  
You were there
